

EXT. HOLLYWOOD FOREVER CEMETERY - EVENING

An outdoor movie screen is set up on the lawn of the famous Hollywood cemetery in Los Angeles. KARLY (18-30s, female) and SARINA (18-30s, female) wait in line with a picnic basket in hand.

SARINA

I'm so excited we're doing this.

Karly is in a trance. Sarina nudges Karly.

SARINA (CONT'D)

You okay?

KARLY

Me too.

SARINA

What's wrong?

KARLY

I'm good. It's nothing.

(beat)

I haven't seen Almost Famous in years! I'm excited to see it again.

SARINA

Karly, what's going on?

KARLY

I used to come here with my family. I don't know if that will happen again

SARINA

Why? Are you moving?

KARLY

My dad's sick.

SARINA

How serious is it?

KARLY

He has two cancers. I guess the irony is that we're at a cemetery

All ending in...

Sarina embraces Karly.

SARINA

It's gonna be okay.

KARLY

I don't know that. He's starting chemo then has surgery then more chemo. Last week, he was just tired and now..everything's changed. It's not fair. He worked his entire life to support our family. Never paid fairly, constantly struggling. Thinking of himself as the hired help. They deserved some peace, they were just talking about getting a condo and retiring. I wanted to buy them a house-

SARINA

I know

KARLY

I just-

SARINA

We don't know what's going to happen. He could be okay, he will be okay and no matter what I'm here for you. I'm not going anywhere.

KARLY

Thank you.

Karly embraces Sarina.
